

Hi Arved,

I had a great time meeting you and all the other Toxyists in Hornerkirchen two weeks ago - thank you very much for everything!

A report of the event will appear soon in the newsletter of the British Human Power Club (BHPC), together with pictures of the new TT and also that strange centre-steer carbon-frame bike that was on the Saturday ride.

As requested I attach a picture of me in a BHPC race from last season. I hope you can use it somewhere.

I hope that your pictures from the 2005 festival will appear on your website soon.

Once again, thanks for a great time and perhaps we shall meet again next year.

Mit besten Wünschen

Andrew Sidwell
